## Cables

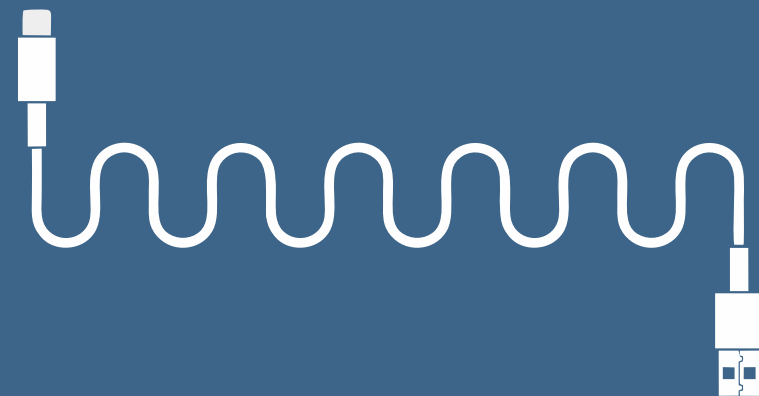

# About

Precision-engineered for speed and durability, Sigmavizin data cables ensure fast charging and stable data transfer every time.

Reinforced connectors and high-quality materials make them resistant to daily wear and bending. Strong connection. Seamless performance.

# DATA CABLE

Model NO : VTC-858

Premium  
PVC Cable

10000+Bend  
Lifespan

Sync &  
Charge

---

Micro / Type C / Lightning

---

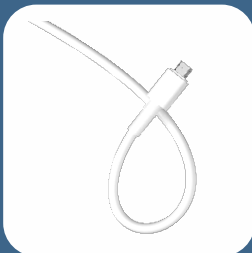

Name : PVC Data Cable

Length : 100cm

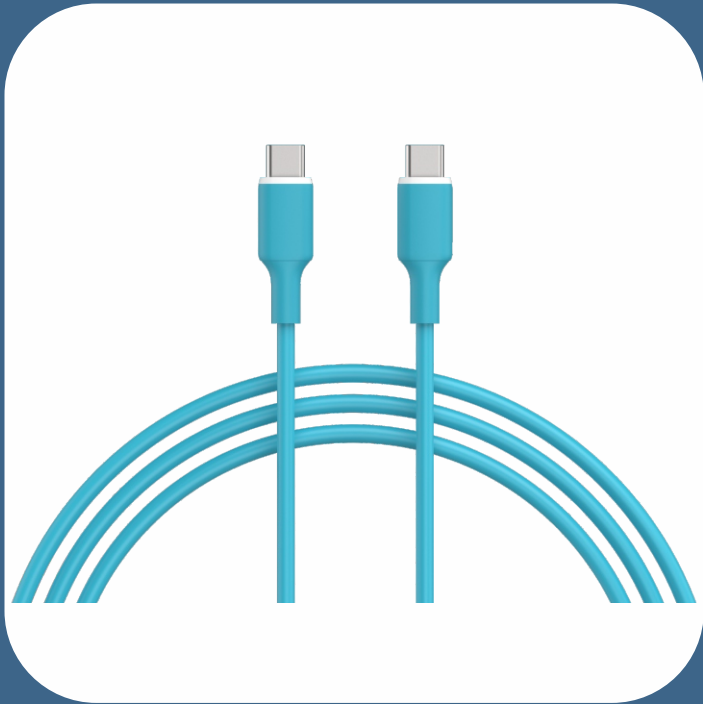

Current : 3.0A, OD : 4.0mm

Copper Core : 38/10/42

Function : Charging / data transfer

# DATA CABLE

Model NO : VCT-6002

MAKE IN  
india

**SIGMA**
