MANAGING DIRECTOR

About

Founded in 2018, Sigmavizin has become a trusted name in the mobile accessories industry under the leadership of Mr. Gaurav Dureja, who brings over 12 years of experience in the mobility sector.

Driven by integrity and innovation, the company is committed to strengthening local manufacturing in line with the Make in India initiative.

From a small team of seven professionals, Sigmavizin has grown into a leading OEM manufacturer with 250+ models and a workforce of over 250 employees. As a CE, Smeta, and ISO-certified organization with SAP-driven processes and a monthly production capacity of 4 million units, the company delivers power banks, chargers, audio devices, smartwatches, and more - ensuring reliability, efficiency and excellence.

“ Good business leaders create a Vision
Articulate the Vision
Passionately own the Vision
Relentlessly drive it to completion. ”

Our *Vision*

- To hold a reputed place in the world of mobile accessories manufacturer.
- Focused to provide one-stop solution from product development to final packaging.
- We aim to diversify and establish a facility for international brands to manufacture with us.
